**Clarification of News Report**

Ladies and Gentlemen:

We reply to the request for clarification of the Philippine Stock Exchange, Inc. on the news article entitled "Sy Group backs Consunji plan to revive Tampakan, merger deal eyed" posted on InsiderPH on April 26, 2026, the pertinent portion of which reads:

"An insider said plans to develop Tampakan are back in play after the current set of shareholders, led by the Sy family, alongside the Consunjis and Alcantara Group, have moved toward a more practical strategy: instead of getting outside investors now why not take charge and run the project themselves?

'Before they were considering selling a stake, but not anymore,' the insider said.

....

Their plan being explored to merge the Tampakan-related entities into Sy-controlled Dominion Holdings, confirming market speculation that was first reported by InsiderPH early this year.

....

Another asset being considered for injection into Dominion is the Sys' minority stake in Atlas Consolidated Mining & Development Corp., which the family is keen on transplanting from the SM Group so the latter can focus on its core businesses, the same insider said.

...."

Dominion Holdings, Inc. is currently considering various potential and strategic investments. However, to date, the Board has not approved any plans on any specific investment.

Thank you.
